

FF 54Q16-N302 MIX

Forage Mixes & Blends

SEEDS & SCIENCE

Description

FF 54Q16-N302 is a premium forage mix featuring 80% FF 54Q16 alfalfa and 20% timothy, designed to deliver exceptional forage quality and reliable yields. The alfalfa component provides high nutritional value and impressive productivity, while the inclusion of timothy adds spring vigor and excellent forage quality, enhancing the mix's adaptability for diverse livestock operations. This combination ensures a balanced, high-quality forage suitable for hay or pasture systems. FF 54Q16 alfalfa is renowned for its strong disease resistance and robust performance in challenging growing conditions. With a Fall Dormancy rating of 4 and outstanding winter hardiness, this variety excels in colder climates, providing dependable growth throughout the season. Its resistance to a wide range of diseases and pests, including Phytophthora Root Rot, Verticillium Wilt, Anthracnose, and Stem Nematode, ensures long-term stand persistence and productivity. The timothy component complements this resilience, contributing additional forage quality and palatability, making FF 54Q16-N302 an ideal choice for growers seeking a versatile, high-performance forage solution.

Key Features

- FF 54Q16 alfalfa and grass blend
- High yield
- High forage quality
- High palatability and digestibility
- Early-season growth
- Excellent disease protection and winter hardiness

The Forage First® 5 Series by DLF features high-quality alfalfa varieties, continuing the legacy of previous seed suppliers. With proven genetics and exceptional yield, quality, and digestibility, it supports dairy and livestock production, backed by expert support and innovative research.

Components

80%

Alfalfa

20%

Timothy

Additional Specs

General Characteristics

Livestock	Cattle , Goats , Horses , Sheep
Usage	Hay , Silage
Segment	Forage

Species Forage Mixes & Blends

Sci. Name Medicago sativa

Seeding Information

Seeding Rate - Alone/New (Kg./Hectare) 21-23

Seeding Rate - Alone/New (Lbs./Acre) 17-19
